

Applicant Name: _____

This form is a recommendation for an applicant to the Tall Timbers Summer Staff. It is also a required form for returning summer staff. Please answer all questions as truthfully and as completely as possible. Our aim is to hire hard working, mature, Christian young men and women, and those that are willing to be teachable. Their actions, whether good or bad, reflect on our camp and our ministry, as well as your own. Summer staffers here are not counselors, but they are in close contact with many children and youth and there is always a concern for campers' safety. This recommendation helps us to get a more well-rounded view of the applicant, and you are also letting us know that they are involved in a church or Christian ministry. Thank you for your honesty and willingness to endorse this student!
