Now you are done with your first camper!

To continue adding others, click add camper from the dashboard (you'll choose "add camper" and then confirm 2 times) If you choose "add from existing" the new camper can have the home information similar to another person (ex: basing a sibling off of a sibling or parent's info so you do not have to re-type everything)

If you've been registered before, when you log back in this year, you'll go straight to your dashboard. Campers from prior years will show in a drop down list on the left. You'll have to choose "add new program" and enter this year's group hold code (GHRID) and update any information from last year's forms. For new campers, click "add new camper" to start from scratch

Please contact Leanne/Latrece/Lisa/Sheyanne at Tall Timbers if you have any questions or concerns!
