

HOTEL ROOM POLICY

“Tall Timbers’ hotel room policy for summer camp and children & youth events is that no adult is to share a bed with a camper. If a hotel room lodges an adult and more than 2 campers for the 2 beds, the church should make arrangements to bring an additional cot/air mattress so that the adult sleeps alone.”

Please be sure if your expected numbers increase for camp registration to let Tall Timbers know before allowing the new student(s) to come. We must make sure there is space in housing and take a deposit for each additional camper. There may not be additional hotel rooms to add to your space, in which case the accommodations listed above for a cot or other sleeping arrangement should be made by your church.
